VERMUND

## **A TRIBUTE TO VERMUND LARSEN**

Vermund Larsen A/S was established in 1935 in the northern part of Denmark. The company was founded by Mr. Vermund Larsen. Mr. Larsen passed away in 1970, but the company lives and works in his spirit and tradition.

Mr. Larsen was an interior architect by education and an entrepreneur by heart. He became one of the pioneers behind ergonomically correct office chairs, and he was passionate about design, form and function. This passion for creating beautiful products was an essential driver for him. Currently VERMUND thrives as a company, working with seating as a focus competence. The company is diversified in three business units, all with design, functionality and high-end quality as a common denominator.

VERMUND is the business unit caring for design furniture and is a tribute to Vermund Larsen. The chairs are all designed and manufactured in Denmark, upholding our tradition for handcraft and beautiful furniture.
