VINTAGE ATTRACTIVENESS — STYLISH ALLURE

Enrich your space with the premium series of lounge tables designed in the late 1950's by Vermund Larsen.

The series have been re-launched in three models, shaped and designed completely true to the original. The re-launched series completely preserve the intricate elegance and finesse of the original, with a delicate element of modern touch.

The tables are built from a steel frame that comes in two types of finishes; chrome or black powder coat.

The frames are enriched with an elegant design furnished with subtle details that enhance the stability of the tables.

The soft, natural shape of the tabletops will fit every room, either with one, or with two tables together.

VERMUND

A TRIBUTE TO VERMUND LARSEN

Vermund Larsen A/S was established in 1935 in the northern part of Denmark. The company was founded by Mr. Vermund Larsen. Mr. Larsen passed away in 1970, but the company lives and works in his spirit and tradition.

Mr. Larsen was an interior architect by education and an entrepreneur by heart. He became one of the pioneers behind ergonomically correct office chairs, and he was passionate about design, form and function. This passion for creating beautiful furnitures was an essential driver for him. The company is diversified in three business units, all with design, functionality and high-end quality as a common denominator.

VERMUND is the business unit caring for design furniture and is a tribute to Vermund Larsen. All furniture are designed and manufactured in Denmark, upholding our tradition for handcraft and attractive design.
